The person with White has the responsibility to arrange the Match.  
Please notify me when the game has been played.  
Games to be played by the end of the Month

Paul has set the ratings for this whole competition as at 1.9.24 apart from the provisional ratings. (P) Anyone with a provisional rating is subject to rapid change on the ECF data base, so their rating is adjusted to a more accurate rating in April when the Competition has finished in order to determine their place in the right category.

If you are aware of any inaccuracies in the information I have provided, please let Paul know.
